A Lecture on India and Reincarnation

Swami Virekanmda [*sic*] lectured on "India and Reincarnation" last evening at the home of Miss Mary Phillips, No. 19 West Thirty-eighth-st. (Of which no verbatim transcript is available.) He mentioned among other salient points regarding Hindooism, or Brahminism, that their religion bore no distinctive name; that it was considered that a belief in the truth of all creeds was religion, and that the belief that one certain dogma was the real and only religion was sect. The Karmic law of cause and effect was explained, also the external and internal natures in their close relations to each other. The actions in this world, as governed by a previous life and the change to still another life, were dwelt upon in detail.
